

COVID-19 Pfizer Vaccine

Booster Clinic

Individuals 65+

October 21, 2021

Quaker Springs Fire Department

2:00 PM – 6:00 PM

107 Blodgett Rd

Schuylerville, NY 12871

This event is intended only for individuals aged 65 and over that have previously received two (2) doses of the Pfizer vaccine. Second doses must have been administered at least 6 months prior to the clinic date.

Please wear a short sleeve shirt and bring photo identification and your vaccination record card with you. Be prepared to wait at least 15 minutes after vaccination for observation.

Registration for this event is required. Please visit www.saratogacountyny.gov or call 518-693-1075 to schedule an appointment.
