4. Public Hearings: It shall be the duty of the Supervisor to preside at all general or special business hearings, to instruct all persons addressing the Board to state their names, addresses, and to state whether they are for or against the proposal. Those in favor of the proposal before the Board should speak first and those in opposition should speak last. At such hearings the Board may have special rules and prescribe the time to be allotted as 3 minutes to each speaker. Once all persons wishing to speak have spoken once, any person wishing to speak a second time may do so for a maximum of 2 minutes.
  5. At the close of the public hearing as provided for in paragraph "4" above, the Supervisor may grant any member of the general public in attendance at such meeting a reasonable opportunity to be heard on any question or subject in which the Town is concerned.
  6. Every resolution or motion must be seconded before being put to a vote by the Supervisor and all resolutions or motions shall be recorded in their entirety in the official minutes of the Town Board.
  7. The Supervisor may offer or second a resolution or a motion and need not relinquish the chair for such purpose.
  8. No motion or resolution may be brought to a vote except by the majority consent of those present unless printed or typewritten copies thereof are presented to each member of the Board 48 hours prior to the opening of the meeting at which such motion or resolution is offered.
  9. No member shall speak more than once on any questions until every member choosing to speak shall have spoken, nor more than twice in any case without leave of the Board.
  10. When a question is under debate, no motion shall be entertained unless (a) for an adjournment or recess, (b) for the previous question to lay on the table, (c) to postpone to refer to a committee, or (d) to amend.
  11. A majority vote of all the members of the Board shall be required to suspend these rules of order. A majority of the Board shall constitute a quorum.
  12. If the above stated rules are or become at any time in conflict with the statutory law, the statutory law shall take precedence.
  13. No member of the public shall engage in any demonstration, booing, hand clapping or otherwise disrupt the formality of a town board meeting.
  14. Any persons speaking to the town board with the consent of the supervisor shall address their remarks to the town board, not to other members of the audience in the form of a debate. Residents will be limited to speaking for three minutes unless extended by permission of the majority consent of the board. All persons speaking will be given respect and courtesy and in return are expected to be respectful and courteous. The use of profane and inappropriate language is not acceptable.

**Tax Collector's report:** Tax Collector Jim Gorham reported for January 3, 2011 through January 7, 2011, he collected \$269,405.24 on 351 parcels.

**Historian's report:** Sean Kelleher submitted the following January report: In the past month, I had an exciting meeting with the archaeologist and historian consultants working with Saratoga PLAN on the "Corbitt property". The property was found to have no fortifications from the siege period of the Battles of Saratoga. The property shows it was used as a neighborhood dump (and this is confirmed by local oral histories). There also seems to be some industrial work done tied to power lines and possible use of the land by a power company. The more exciting work was done on scoping sites tied to siege period of Battles. I know that I learned more about the troops' movements during the critical period of October 10-17, 1777.

I am working on a 2011 calendar listing historical and cultural activities in the Old

Saratoga area which we are calling Old Saratoga Happenings. I have attached a copy of the calendar for January. We have also established a facebook, twitter, and website for this listing.

In January, I am starting a project to replace the photos that we lost in the fall flood of the archives. We are asking residents to gather up their old photos of Saratoga, Victory and Schuylerville - individuals and family groups, scenery, events, school classes, and bring them to the Gates Room at Town Hall. The Historian will scan your photos and save them to CD for you to have, and keep a digital image for the Town's archives. All originals will be returned. We are planning this on Saturday, Jan. 15 from 11 am to 12:30 pm. and Thursday, Jan. 27 from 4:30 to 6 pm. We ask that residents contact Sean Kelleher 698-3210 to set up a time.

**Assessor's report:** Victoria Hayner submitted the following:

The Assessor's Office remained steadily busy during the past month. The renewal forms for Senior Exemptions and Agricultural exemptions were mailed and have begun coming in.

Sales continue to be processed for the town. During the past month, we had (5) non-valid sales; (5) valid sales. Of these sales, (9) properties were residential homes and (1) involved vacant land. A total of two properties have been deeded to Saratoga County Acquisition for possible auction in the spring.

Building permits are being reviewed to be ready to figure valuation by taxable status date (March 1<sup>st</sup>). The Assessor will be doing drive-by evaluations at the end of February and will be in consultation with the Town's Building Inspector for progress valuations as necessary.

**Highway Superintendent's report:**

- ❖ We are out cutting dead trees and trimming roads back.
- ❖ Patching of roads will continue.
- ❖ The new loader has been put in service and is working out well.
- ❖ The new pickup truck has been ordered and should arrive here sometime in April.
- ❖ Guide rails on Neilson Road have been installed at a cost of \$9,094.57. People on Neilson Road are very happy.

**Supervisor's report:**

### **Town of Saratoga 2010 Goals Report**

1. Keep Town taxes as low as possible, closely monitor all town expenditures, and strive to have no additional tax increases in the upcoming years.  
Accomplished - reduced town tax rate by .015 in 2011
2. Obtain grant assistance from multiple sources to fund town projects -  
Accomplished - Used Canal Corp grant to finish Wilbur Road Towpath project. Extended grant for one additional year to work on Coveville portion of towpath.

Received extension on \$60,000. EPF grant for towpath work from old town hall north to Lock 5.

Completed Home Grant and received new CDBG (Community Development Block Grant) grant for \$400,000.

3. To complete sale of old town hall and generate the greatest revenue possible for the town while maintaining the best public interest use of the property and maintaining the historical integrity of the land -  
Made progress but not completed. Friends of Saratoga Battlefield identified as a 501C3 organization to receive title to the property. Worked with Saratoga / Washington on the Hudson Partnership to establish funding process. New appraisal on property in progress.
4. To keep all excess town property rented and generate the maximum revenue for the town -  
Accomplished - Burlington Labs moved in. Taber Architecture Studio partially moved out of town space. Marvin and Company moved in. Conversations with Burlington Lab currently taking place.
5. Finish Wilbur Road Portion of Old Champlain Canal Towpath Trail -  
Accomplished - Trail dedicated July 22, 2010.
6. Protect more farmland and open space through purchase of development rights and open space grants -  
Accomplished - VanArnum Farm awarded \$244,000 PDR grant from Saratoga County. Closing to take place in approximately one month. Work taking place on Hoogeveen Farm state PDR grant. It has been held up but partial payment activities starting to take place.
7. Complete the NIMS Emergency Plan -  
Partially accomplished - As a result of monthly meetings, specific plans were prepared and persons identified for roles in the event of an emergency.

- ❖ June 22<sup>nd</sup> – Dock & Dine in Saybrook, CT

**Park Committee:** Laurie Griffen, Schuyler Park Committee, reported:

The Schuyler Park Committee is pleased to report that 2010 was as successful as it was busy. The following summarizes the year's activities and successes:

- ◆ The Schuylerville High School's Varsity and JV softball teams called Schuyler Park their home for the 2010 season. Their seasons opened with games in early April, bringing scores of new people to the park. It was a successful season for both teams.
- ◆ Travel soccer teams used field space in the spring and early summer.
- ◆ A two week summer soccer camp was held during the summer, marking our first rental income. The coaches were very pleased and expect to hold the camp again in 2011.
- ◆ Field maintenance for the first year went well, coordinating multiple methods to accomplish the goals. Collins Turf Services assisted with the initial mowing of the fields and donated their services for multiple fertilizations during the season. A mowing contract was put out to bid and awarded to Malta Asphalt and Paving for mowing all of the athletic turf. We worked closely with Kim Gamache and the facilities dept. at the high school to prepare the softball and baseball fields in the spring and the soccer fields in the fall. We also purchased a paint machine so that we can line our own fields instead of having the school do all the work. We continue to have a good working relationship with the school regarding both field maintenance and usage.
- ◆ Bleachers and benches were purchased for use at the fields.
- ◆ A storage container was donated by Kyle McPhail where we keep materials and supplies.
- ◆ In the fall we worked with the Old Saratoga Athletic Assn. (OSAA) and the school and hosted multiple soccer games and practices on a daily basis. During Sep. and Oct.

there were over 300 youth soccer players plus their families using the fields every Saturday.

- ◆ Our irrigation system was completed on the playing fields and held up very well through the hot, dry summer.
- ◆ We applied calcium chloride to the driveway and parking areas in the spring to help keep the dust down.
- ◆ We put up signage throughout the park: welcoming, posting speeds and park rules.
- ◆ Our SWPPP inspections and reporting requirements are complete.
- ◆ Tree plantings and additional landscaping was completed in the fall, thanks to some memorial funds in the name of Carol Cummings and donations from Grasshopper Gardens Landscaping and Brookside Nursery.
- ◆ In October, the Friends of Schuyler Park worked with the National Missing and Exploited Children Foundation, at the request of Sam Palazzole who is on their national board. Displays were set up at the park on a Saturday during soccer games and information regarding each organization was available. Free child IDs were issued to all families who wanted them. It was a very successful day.
- ◆ The Committee received recognition in December from the Tobacco Free Coalition for our policies regarding tobacco free grounds. We will continue to work with the coalition regarding additional signage for the park.
- ◆ The FFA program at Schuylerville High School made and donated two picnic tables to be used at the park next year.
- ◆ In the fall, we issued a bid for paving the park entry way. The bid was awarded to Hayes Paving. The driveway was paved in November and Hayes Paving also donated blacktop for a basketball court that was also completed in November.
- ◆ The Committee continues to work closely with the Friends of Schuyler Park to prioritize activities, set goals and coordinate projects. We are happy to report that since its formation as the not for profit arm of Schuyler Park, funds from the Friends have played a major role in the park's success. Major sources of income this season, in addition to private funds, came from the March Gala at Longfellows that brought in over \$10,000, three separate memorial funds that totaled approximately \$15,000 and a recent grant from the Alfred Solomon Foundation for \$20,000.
- ◆ At the request of many town residents and in consultation with both town boards, attorneys and our insurance carrier, sledding is being allowed and enjoyed at the park.
- ◆ Year end financials showed just over \$95,000 remaining in the Park account, with the only current liability being approximately \$8000 for the irrigation system retainage that we have yet to be billed for.
- ◆ We developed an informative and user friendly web site ([www.schuylerpark.com](http://www.schuylerpark.com)) that includes a functioning field usage calendar that proved to be very helpful throughout the season.

#### **2011 Goals:**

- ◆ Install basketball hoop for completion of the court
- ◆ Develop a revised maintenance plan for the 2011 season and put it out to bid in a timely manner in the spring.
- ◆ Continue a strong working relationship with the school and OSAA.
- ◆ Remain the home field for the girls varsity and jv softball teams

- ◆ Explore the possibility of additional field usage by other towns and travel teams
- ◆ Discuss and determine appropriate fee structures
- ◆ Continue to work closely with the Friends of Schuyler Park regarding our priority capital projects of erecting a pavilion and installing playground equipment. Friends 2011 fundraisers currently include a March 10 Gala at Longfellows and a food booth at Sundae on the Farm in June at the Clear Echo Farm (Kevin Peck) in Bacon Hill.
- ◆ Install irrigation on the field perimeters that were hydroseeded in the fall
- ◆ Work with the BOCES program to clear the hiking trails so they are used more in 2011
- ◆ Increase signage where needed, especially at trail heads
- ◆ Coordinate snow plowing between the two towns, as discussed, so residents have access to the sledding hill.
