Building Demolition Update.

Both the old town garage on Rt 32 and the old town hall on Ferry Street in Schuylerville have been totally demolished and the sites have been cleaned up. The state of New York paid for all expenses related to the site preparation and actual cleanup of the old town hall site. We are under contract with the state for the purchase of the old town hall site and are hopeful that the payment will be received in the near future. A regional gateway visitors center will be built in the site.
