Transportation Guidelines

- This service is for medically related appointments for residents of Saratoga County.
- Transportation is to the areas of Glens Falls, Albany, Latham, Troy, Clifton Park, Schenectady and areas within Saratoga County.
- Transportation is available to certain areas listed above on specific days of the week.
- The minivan is not wheelchair accessible.
- Medical equipment that can be transported – canes, fold up walkers, small Oxygen bottles.
- Medical appointments must be made between 10:00am and 2:30pm.
- This is a contribution based service. The suggested contribution is \$5.00 for trips outside of Saratoga County and \$2.00 for trips within Saratoga County. No one will be denied transportation because of their inability to contribute.

How are appointments made?

- Call (518) 884-4111 or (518) 884-4100 to register, check availability and reserve a seat
- Monthly destination calendars are mailed quarterly to registered riders and are available upon request.
- Due to limited seating, a minimum of 7 days advanced notice is required to secure a seat on the van.
- Riders will be called the week prior to their appointment for verification of appointment and with the time of pick up.
- Transportation availability is on a first come first served basis.

Senior Transport is possible through a grant from the New York State Office for the Aging.
